Cost: \$225USD, paid online or to Louise

Drawing on the ancient shamanic practice of merging with compassionate spirits in the Middle world, you will safely become an interactive and divinational channel, allowing for a deepened spiritual dialogue not often experienced with traditional journeying. These practices will bring forth new relationships with Nature Spirits, Ancestors, Star Beings, and those of universal wisdom. Techniques necessary for both oral and written channeling are taught as well as empathic diagnostic and healing practices.

Prerequisites:

- A strong and easy connection to Spirit helpers
- The ability to journey to both the Upper and Lower Worlds
- A regular practice of journeying
